Tracking Performance

In the Management Center, TripAdvisor provides basic information to help hotels track review performance. You can track your rating, ranking, review volume, page views and the number of travelers who have viewed your photos. Subscribers to Business Listings receive more detailed information, including mobile and desktop search hits and appearance volume for Special Offers.

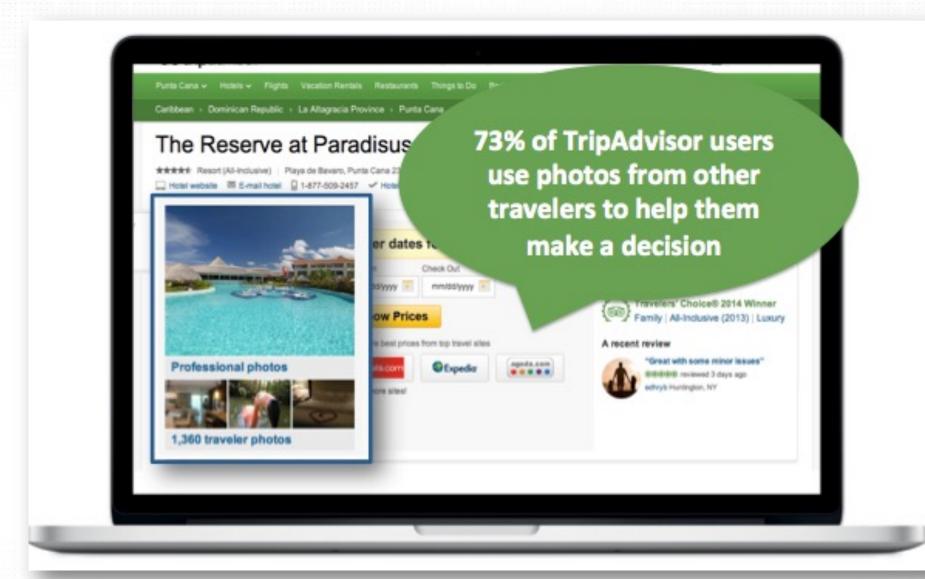

"Every property has its own Management Center on TripAdvisor, a resource opportunity to see property performance, with information about free and paid parts of your listing", said Brian Payea during the TripAdvisor webinar.

ReviewPro Tip

For deeper insight, ReviewPro's Online Reputation Management tool will help you track reviews and ratings on all review sources including TripAdvisor, as well as facilitating review responses, sentiment analysis, and performance comparisons with competitors.

DO RESPONSES MATTER TO THE CONSUMER?

YES:

HOW A BUSINESS RESPONDS TO CRITICISM OFTEN HAS MORE INFLUENCE ON **BOOKING OR VISITATION** DECISIONS THAN THE CRITICISM ITSELF.

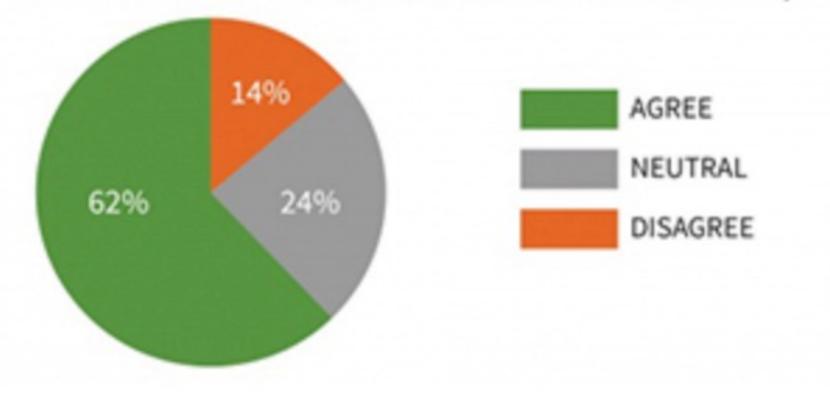

WHICH REVIEWS SHOULD YOU RESPOND TO?

ALL OF THEM

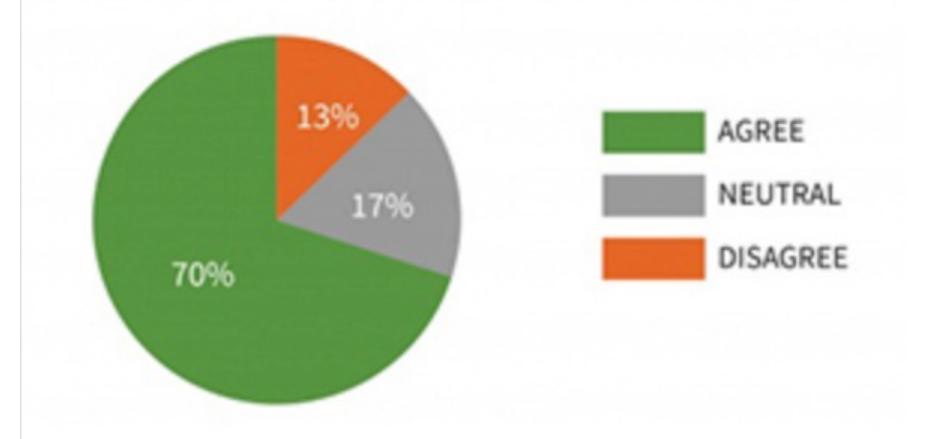

SEEING HOTEL MANAGEMENT RESPONSES TO REVIEWS GENERALLY MAKES ME MORE LIKELY TO BOOK (VERSUS A COMPARABLE HOTEL THAT DIDN'T RESPOND TO TRAVELERS).

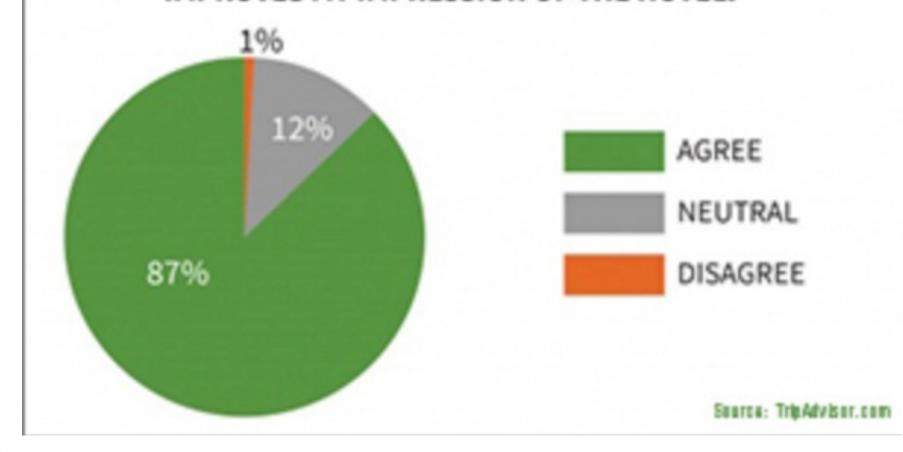

AN AGGRESSIVE/DEFENSIVE MANAGEMENT RESPONSE TO A BAD REVIEW MAKES ME LESS LIKEY TO BOOK THAT HOTEL.

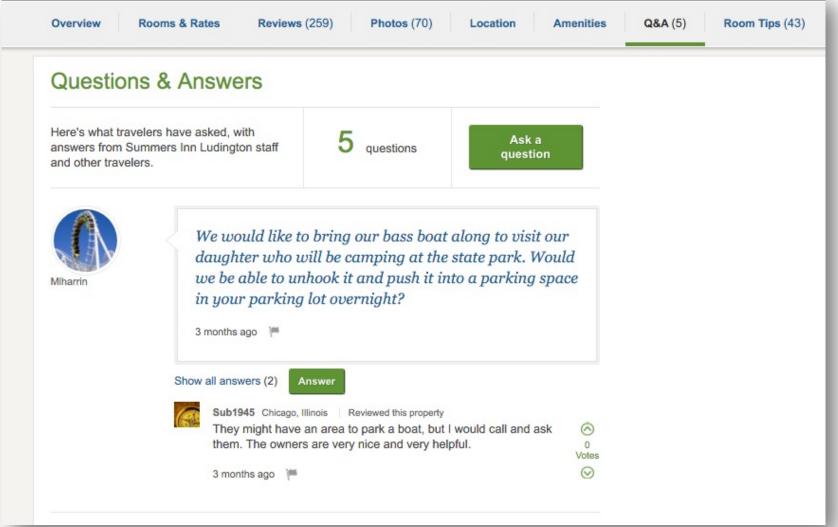

AN APPROPRIATE MANAGEMENT RESPONSE TO A BAD REVIEW IMPROVES MY IMPRESSION OF THE HOTEL.

Thank you for the nice comments about our team. While we are currently working hard to renovate the lobby and lounge of the hotel, it's really the staff that make or break your stay experience. Our guys work hard to make sure your needs are met and you have everything you need to enjoy Oakland.

Thank you and we look forward to your next stay.

Ashrafi_Matcheswala, General Manager at Taj Campton Place, responded to this review

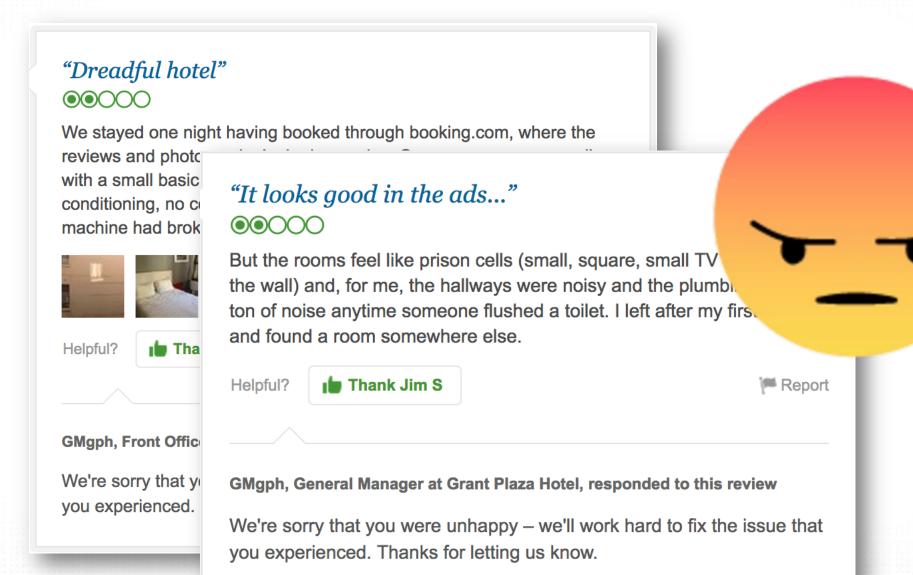

Dear David E,

We try very hard to make our guests stays as pleasant as possible and it is always a disappointment when we learn one of them has left with a less than first-rate experience. I am so very sorry that you were disappointed in our hotel, but not knowing when you were here I cannot comment on what you paid as it may have een a very busy time in the city when rates are at their highest. As for the instruction, Apple is building a flagship store across the street, but now that the old ilding has been demolished, construction is confined to daytime hours and we we had no noise complaints in a long time. The city is also building a central subway station by Union Square, but that is a block away and has not impacted our hotel greatly. You are correct that valet parking is expensive, but you are NOT correct that the same garage where our valet parks your car allows for unlimited exit and entry—none of the public garages allows that. In-and-out privilege comes only with our valet service—and without the convenience of door to door service.

"Clean, friendly but lacks amenities"

By amenities I mean a blow dryer! The owners, who live on property, didn't even have a loaner blow dryer. I advise a trip to Wal-mart to pick up a couple cheap blow dryers. Otherwise nice. Rooms and bathroom especially are small. But was quite, very clean and well priced.
