Hooked on the Lake

Warren native Allie Vugrinicic shares her favorite ways to spend a day in Trumbull County's great outdoors.

" Mosquito Lake has always been a favorite spot of mine. It's full of opportunities to connect with nature and have some good old-fashioned fun. Here are some of my favorite things to do during a day at Mosquito Lake.

The lake is a great place to boat, with boat launches located off Durst Drive in the park and near the intersection of St. Rtes. 88 and 46. Don't own a boat? No worries – you can rent one at **Mosquito Lake Marina & Boat Rental**.

The State Park has a **family-friendly beach** as well as a **dog park** with a swimming area, so man's best friend can take a dip, too.

If one day at the lake just isn't enough, you can reserve a spot at the **Mosquito Lake State Park Campground**, located off Hoagland Blackstub Road. It offers pet-friendly, full-service electric and non-electric sites, as well as two yurts.

Not far from the campground is a **Nature Play Area** with a canvas teepee, rope course, and wooden cabin. This rustic playground is a great place for kids to safely explore and get in touch with nature.

Across the street from the Nature Play Area is an **archery range**, which is free and open to players with their own equipment. The park also sometimes offers children's archery lessons.

Park rangers and naturalists lead a variety of activities throughout the year, from **guided hikes** to **wildlife presentations**, **lake-to-plate fishing events,** and more. **"**

Four Seasons of Golf

Bill Raber, head of the Penn Ohio Golf Trail reveals some of his favorite places to tee off.

"Whether you've lived here for years or you're just visiting for the weekend, there's something about golf here that feels relaxed, unhurried, and refreshing. Trumbull County is home to some top-tier golf courses. You'll also find courses featured on the prestigious Penn Ohio Golf Trail, which connects golfers to a standout lineup of public and private courses across Northeast Ohio and Western Pennsylvania. And no matter what season you decide to hit the fairway, Trumbull County has you covered.

Spring is the unofficial kickoff to golf season here, and locals hit **The Links by the Tracks**, **Hidden Oaks Golf Club**, **Cranberry Hills Golf Course**, and more as soon as the frost clears.

Summer here means leagues, twilight rounds, and that post-round steak at **The Chophouse** following a day on the championship-caliber **Avalon Lakes Golf Course**.

From the perfectly striped fairways at **Yankee Run** to the quiet beauty of golden leaves lining the rough at **Bronzwood Golf Club**, fall is golf how it's meant to be.

Indoor golf simulators offer a warm, weather-proof way to stay on top of your game during the winter. Head to **The Grand Resort** in Howland to tee off virtually while enjoying luxury amenities. Or, visit **Pro Performance Golf Academy** in Cortland, where state-of-the-art technology and expert instruction make it a go-to spot. "
